Situation Encountered / Action Taken: The agency responded to a large, single family occupancy with heavy fire showing from the second floor and roof areas. At the time, seven members of the family were home, and quickly and safely were able to evacuate as they called 9-11. The incident was challenging for responding apparatus as access to the home by aerial and ladder trucks was hampered by numerous trees. Fire companies were aggressive in their initial attack as fire continued to spread quickly to several other adjacent areas of the home until it was eventually extinguished. Salvage and overhaul operations were conducted as investigators were called to the scene to determine cause and area of origin.

Current Status: The home is uninhabitable. The cause of the fire remains under investigation.

Occupants Displaced: Seven (7) family members

Injuries: None.

Damage Estimate: Structure \$400,000

Contents: \$10,000

Under Investigation By: Oak Brook Fire, Oak Brook Police and DuPage County Fire Inves Strike Force

Apparent Cause: Undetermined at the time of this release
