Databases Highlights
Illinois Public Records: Chicago Area

This database is chock-full of information for our OBPL patrons. Record Information Services is a data compiler of Northern Illinois public records.

Whether you are a homeowner researching individual property transactions, foreclosures, or a business owner who wants to do marketing, the Public Record Database is an invaluable tool. You can search for newly filed bankruptcies, mortgage transactions, business licenses, real estate transactions and more.

It also gives patrons the ability to do quick Illinois background checks on individuals and businesses in the State of Illinois at an affordable price. The database is 100% safe and completely confidential.
