Press Release

Village Board Approves Leaf Pick-up Program

Oak Brook, Illinois (July 10, 2009, 3:30 PM) – The Oak Brook Public Works Department is gearing up for its annual leaf pickup program as a result of a timely decision by the Village of Oak Brook Board of Trustees. At their meeting on June 23rd the board voted unanimously to continue the leaf pick-up service. Faced with budget deficits, the program had been considered for elimination. The program serves approximately 85% of Oak Brook residents and provides removal and disposal of leaves placed on Village road shoulders. The program is slated to begin in October and will last until December or the first snow. Details on exact routes and pickup dates will be posted on the Village of Oak Brook web site in September. Additionally a reminder mailing will be distributed to residents in September. Questions about the program may be forwarded to the Oak Brook Department of Public Works at 630-368-5270.

About the Village of Oak Brook:

Founded in 1958, the Village of Oak Brook is located 20 miles west of downtown Chicago and is in proximity to the junction of Interstates 88, 294, and 290. The Village consists mostly of residential subdivisions, with the exception of the Oak Brook Center shopping mall, other retail and office properties along 22nd Street and Interstate 88. Oak Brook is the home of many corporate offices, most notably, the world headquarters of McDonald's Corporation and the service club organization Lions Clubs International.
