Oak Brook, IL 60523

Village of Oak Brook

Press Release

Oak Brook, Illinois (August 17, 2009, 11:20 AM) - To determine the quantity of water available for fire protection, it is necessary to conduct hydrant flow tests on the water distribution system of the village of Oak Brook. Testing will be done August 24 through 28, between 8am and 3pm, by the Oak Brook Fire Department and the Oak Brook Water Department in areas between Spring Road and Route 83, south of 31st Street.

Please be aware there might be some discoloration to the water in the areas being tested. Residents should allow water faucets to run for five to ten minutes to clear the discoloration.

If there are any questions regarding this matter please contact the Village of Oak Brook Fire Department at 630-368-5201.

About the Village of Oak Brook:

Founded in 1958, the Village of Oak Brook is located 20 miles west of downtown Chicago and is in proximity to the junction of Interstates 88, 294, and 290. The Village consists mostly of residential subdivisions, with the exception of the Oak Brook Center shopping mall, other retail and office properties along 22nd Street and Interstate 88. Oak Brook is the home of many corporate offices, most notably, the world headquarters of McDonald's Corporation and the service club organization Lions Clubs International.
